TO ALL EXHIBITORS OF LIVESTOCK

Originating from the Cattle Tick Protection and Free areas.

Livestock returning to the cattle tick protected free areas must be sprayed.

Boonah Show Society has an approved spray facility located within the Boonah Showgrounds, and will have an approved tick control person and equipment to undertake the required treatment for livestock exhibited at the showgrounds prior to the stock leaving the grounds on their return movement to the property of origin.

To be eligible to have the approved person treat your stock you will need a Queensland Travel Permit issued by your local Stock Inspector and a fully completed Queensland Livestock Movement System – Move Easy Waybill.

The permit will be from your property to the showgrounds and return subject to the conditions endorsed on the permit including:-

the return movement must be within 72 hours for cattle, deer and buffalo:

or within 5 days for horses, sheep, goats and camels, and that will allow for the approved person to perform the required treatments.

Under no circumstances will the approved person perform any treatments of stock unless all conditions of the permit are met, and the permit and waybill presented.

An alternative is for any person who has undertaken an approved awareness and training course to treat their own stock will be permitted to utilise the facilities on the showgrounds.

Any stock not meeting these requirements will be required to be treated by a permanent inspector of stock at a line clearance centre.

Phone: Jim Harvey on 5463 5228 to make arrangements to have your livestock sprayed.

Workplace Health & Safety

1. Public Liability Insurance

All exhibitors, space holders & entertainers are responsible for their own public liability insurance. While the Show Society and its Members take every care to ensure the safety of Patrons, they will not be held liable for any damage caused by the negligence or property of exhibitors, space holders or entertainers.

2. Electrical Equipment

Any exhibitors/space holders intending to bring electrical equipment and/or gas bottles to the Showgrounds will be required to ensure that such equipment is fitted with earth leakage circuit breakers and that all electrical leads, tools and appliances have been inspected and tagged by a licensed electrical contractor or gas fitter.

This is essential for the safety of all exhibitors and the general public and is a requirement of the Workplace Health and Safety Act of 1995. The Act imposes very severe penalties in the event of non-compliance with its provisions.

Any exhibitors or space holders who do not comply will not be allowed on the Boonah Showgrounds. Exhibitors should check all electrical equipment and/or gas bottles to avoid the occurrence of any difficulties.

3. Leaders of Cattle

All Children 13 years & under leading or riding in the Grand Parade must be accompanied by an adult. Exhibitors allowing minors to lead cattle in the Grand Parade do so at their own risk and accept full responsibility for any incident which may occur. The Boonah Show Society or any of its Members will not be held liable for any damage or injury which may occur through any such incident.
